

Get a Dedicated National Golf Club Challenge Web Page to Help Promote Your Event

To help publicise your National Golf Club Challenge event, we would like to build you a dedicated event web page (no charge), like this one:

www.ngcc.at/northwoodgc

If you would like your own dedicated event web page, please send the following content to eventpage@nationalgolfclubchallenge.org.uk.

- Your golf club name
- The date of your NGCC event (24th or 25th July)
- The name of your event organiser
- The relevant telephone number for your event organiser.
- Your golf club's address.
- A short paragraph about your golf club (optional)
- Your golf club's website address
- Large images of your golf course (minimum width: 900 pixels)

Once you send the images, we will set up your dedicated event page and send you a link for your feedback.

Upon receiving your approval for the web page to go live, we will place a link from your golf club's name on the [main Challenge website](#).

If you have any questions, please don't hesitate to call Matt on 01565 818 106.
